

ABOUT THE INSTITUTE

The Eshwar trust was founded with a mission to redefine the system of education; it is a professionally managed, multidisciplinary and multi-faceted oasis. Recognizing the need for high quality education in the field of engineering and technology, Sri Eshwar College of Engineering has been established in the year 2008. With the view to provide holistic approach to education..,

The college offers 5 undergraduate courses in B.E and B.Tech. There are 3 P.G. courses in different branches of Engineering. Besides this, M.E. and Ph.D works are carried out in various disciplines.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was started in the year 2008 to render services to the student community to meet the growing global challenges. The department is well equipped with new hardware and software laboratories with internet and WI-FI connectivity.

ABOUT THE SPEAKERS

Yashavant Kanetkar: Yashavant is a pioneer in IT Education in India. A true entrepreneur, he has single-handedly set benchmarks for IT education and has played a major role in taking IT learning to every nook

and corner of this country. He has authored several bestsellers over last 15 years and helped shape careers of millions of programmers throughout Asia. Most recently, he has created several interactive training titles for KSET.s flagship .Quest. Content Delivery Platform which have become a stellar success. In recognition of his immense contribution to IT education in India, he has been most recently awarded the Distinguished Alumnus Award by IIT Kanpur and "Best .NET Technical Contributor" and "Most Valuable Professional" awards by Microsoft. His current passion is Internet Technologies, Device Drivers and Embedded Systems.

Asang Dani : Dani Having worked with product development companies like Brocade, Microsoft, Veritas, Dow Jones, etc., Asang left USA a few years ago to create a product company of his own. Together with Yashavant he has created several products under the aegis of KSET. These products have become immensely successful in the marketplace with clientele around the world. Asang has authored more than 12 books, 19 Quest titles and 2 eBooks. He has also developed solutions in for Avionics, Real-time Systems and Embedded Linux. Asang.s current areas of interest include .NET Technologies, Windows CE, Device Drivers and Embedded Linux. Asang is most recently noted for his significant

contributions in Windows CE by Most Valuable Professional award from Microsoft.

BENEFITS TO THE PARTICIPANTS

➤ Certificate of participation would be awarded by **Let us C Yashavant Kanetkar.**

TOPICS TO BE COVERED

- Mysteries of Pointers in C
- Game Programming using C
- Mobile Computing using C
- Bluetooth Programming using C
- Security, etc

ELIGIBILITY CRITERIA

- Faculty members,
- Research scholars and
- Students from engineering institutions can apply.

REGISTRATION FEES

Faculty & Research Scholar: Rs.500/-

PG Students : Rs.450/-

A maximum of 200 registrations are permissible on the basis of first come first served.

REGISTRATION FORM

Workshop on Mysteries of C Programming
17th August 2012[09.30 AM to 04.30 PM]

Name :

Institute :

Address :

Contact No :

Email :

Date : Place :

Signature of Participant

Note:

The registration fee has to be paid in the form of Demand Draft in favor of “**Sri Eshwar College of Engineering**” Payable at Coimbatore. Participants can send completely filled up registration form along with DD to the address given below

IMPORTANT DATE

Last Date for Submission: August 13, 2012

Intimation for Selection : August 14, 2012

ORGANIZING COMMITTEE

CHIEF-PATRON

R.Rajaram B.E

Director

PATRON

Dr. Sudha Mohanram M.E, Ph.D

Principal

CONVENOR

Mr.C.Selvan M.E, (Ph.D)

Head, Department of CSE

Mr.P.John Augustine M.E, (Ph.D)

Head, Department of IT

CO ORDINATOR

Mr.R.Aravindhan, M.E, (Ph.D)

Mr.S.Sampath Kumar, M.E, (Ph.D)

Assistant Professor, Department of CSE/IT

ADDRESS FOR CORRESPONDENCE

The Co-ordinators,

Mysteries Of C Programming - Workshop

Department of CSE/IT

Kondampatti [Post], Vadasithur (via)
