ON

“Green Technologies for Sustainable Environment”**March 2nd & 3rd, 2012**

Organised by

Department of Civil Engineering

Faculty of Engineering**Avinashilingam**

Institute for Home Science and Higher Education for Women

University

(Estd. u/s 3 of UGC Act 1956)

COIMBATORE – 641 108, Tamil Nadu, India**2nd Page****THE UNIVERSITY:**

Avinashilingam University for Women was started as Sri Avinashilingam Home Science College in 1957 by the great patriot, freedom fighter and the First Minister for Education of independent Madras Province, Ayya Dr. T. S. Avinashilingam Avargal. He was a disciple of Sri Ramakrishna, Swami Vivekananda and Holy Mother Sri Saradhamani Devi. The college became autonomous in 1978 and Deemed University in 1988. The University has seven faculties viz. Home Science, Science, Humanities, Education, Business Administration, Engineering and Community Education & Entrepreneurship Development. The Faculty of Engineering was established in 1996 and currently offers eight Under Graduate Programmes, four Post Graduate Programmes and Doctoral Programme in various disciplines.

DEPARTMENT OF CIVIL ENGINEERING:

The department of Civil Engineering was established in 2005 and offers U.G degree program. The department aspires to promote research and development activities in the field of Structural and Environmental Engineering. The department has dynamic faculty members with good academic and industrial experience. The department has well equipped laboratories. The Department intends to develop skills and knowledge in the field of Civil Engineering and shaping the best Engineers to meet the global competitiveness.
