

PREAMBLE

Change is the only constant thing in the world. Advancement and evolution is imperative in any field of science and technology. Computing and communication sciences have seen drastic changes in the past decade or two. Computer systems have come a long way from the early huge mainframe computers to mobile and pervasive computing. A conference of this nature is intended to bring together professionals and researchers to present, exchange and share the new technologies, methods, algorithms and research results in their relevant areas.

The conference also includes plenary talks and invited lecturers on research issues in Cloud & Grid Computing, Wireless Networks and Datamining by renowned speakers.

STRUCTURE

Original contributions are solicited for presentation at the National Conference on Communication and Computing Techniques 2012. The topics of interest include (but are not limited to) the following:

- Wireless communication
- Mobile Computing
- Grid and Cloud Computing
- Autonomic Computing
- Ubiquitous Computing
- Pattern Recognition
- Image and Signal Processing
- Data and Network Security
- Soft Computing Applications
- Optical Networks
- Datamining and Data Warehousing

FORMAT FOR PAPER SUBMISSION

The authors are invited to send their papers in IEEE format with the following pattern

Font Type : Time New Roman
Title of Paper : 14 Point Bold
Sub Heading : 12 Point Bold
Contents : 10 Point with single line spacing
No. of Pages : Maximum 6 pages with A4 size

One copy of the full paper not exceeding 6 pages, prepared in above format should be sent to nccct2012@gmail.com. This should be followed by one hard copy of the paper for initial screening.

REGISTRATION FEE

Industry Participants/Faculty	Rs.1200
Full Time Research Scholars/PG Students	Rs.1000
UG Students	Rs.500
Participation Only	Rs.300

All payments shall be made through Demand Draft drawn in favour of "The Principal, Kongu Engineering College" payable at Perundurai.

SCHEDULED DATES

Submission of full paper	: 6.02.2012
Notification of acceptance	: 20.02.2012
Submission of camera ready paper	: 27.02.2012
Last date for registration	: 01.03.2012

ABOUT THE INSTITUTION

Kongu Engineering College (KEC) was established in the year 1984. Approved by AICTE, New Delhi and affiliated to Anna University of Technology, Coimbatore, the institution has been accorded autonomous status from year 2007. The institution has completed 26 years of dedicated and excellent service in the field of technical education. It offers 13 UG programmes, 15 PG programmes and 11 Research programmes in Engineering, Applied Sciences and Management and is one among the best self financing Engineering colleges imparting high quality technical education in India. The college is well known for its technical excellence, modern facilities, record of performance with excellent results and enterprising students. The college has got NBA accreditation for all UG programmes, Best Engineering College award, Best Principal award and ISO certification. The Institution has an active Industry-Institute Partnership Cell to interact with industries. The institution has also established a Technology Business Incubator (TBI) supported by Department of Science and Technology, Government of India in its campus.

ABOUT THE DEPARTMENT

Department of CSE was started in the year 1988 with B.E. programme. With the increasing demand in Computer Science and Engineering, M.E programme was started in the year 1999. The department is recognized to offer research programme leading to Ph.D. The department aims at developing intellectually alert, scientifically progressive, globally competent and dynamic young IT professionals

ABOUT THE LOCATION

The college is situated at Perundurai on the National Highway (NH47) about 80 km from Coimbatore and 17 km from Erode. It is well connected by air, road and rail.
